

## EXHIBITORS AT OCTOBER 20, 2007 GreenIN

---

American Plant Food

[www.apfgarden.com](http://www.apfgarden.com)

American Plant Food promotes organic gardening solutions and land-stewardship to the community and will highlight Compost Tea, Bradfields Organic Lawn Fertilizers, Neptune's Harvest Fertilizer, Spinosad, Organocide, Roots 1 Step.

Amicus Green Building

Owner: Jason Holstine

Contact person: Naomi Bloch, [info@amicusgreen.com](mailto:info@amicusgreen.com)

(301) 571-8590

4080A Howard Ave., Kensington, MD 20895

[www.amicusgreen.com](http://www.amicusgreen.com)

A comprehensive source of "green" building products, materials, and advice to craft healthy, sustainable, and green buildings. We will show a variety of "green" products at the GreenIN, including paints, stains, floors, carpets, counters, rain barrels, dual-flush toilets, cleaning supplies, lighting, tiles, and many other supplies.

Amity Organics/The ONE Group

Lynn Turner, Independent representative, [amityorganics@yahoo.com](mailto:amityorganics@yahoo.com)

(301) 920-0723

7013 Wisconsin Ave., Suite 220, Bethesda, MD 20814

[www.amityorganics.com](http://www.amityorganics.com)

Mission is to create an innovative product range of unrivaled purity and effectiveness, combined with ethical, unique, ecological business practices to make a positive difference in the lives of others. We sell certified organic personal care products, nutritional products, and cosmetics.

A-Plus Cleaners  
Sang R. Hur  
(301) 654-4465  
7913 Norfolk Ave. , Bethesda 20814

Dry cleaning that uses organic solvent that is non-toxic to people, clothing, and the environment. The hydrocarbon dry cleaning machine is so efficient that it greatly reduces energy use.

Audubon Naturalist Society  
Woodend Sanctuary  
8940 Jones Mill Road, Chevy Chase, Maryland 20815  
(301) 652-9188  
[www.audubonnaturalist.org](http://www.audubonnaturalist.org)

The Audubon Naturalist Society fosters stewardship of the region's environment by educating citizens about the natural world, promoting conservation of biodiversity, and protecting wildlife habitat. Founded in 1897, the independent nonprofit society focuses its efforts in the mid-Atlantic region.

Aurora Energy  
Annapolis, MD  
(443) 851-7798  
[roger@solarsaves.net](mailto:roger@solarsaves.net)

Installs solar hot water heaters

Better Bulb  
Paul Gaiser  
Bethesda, MD  
(301) 657-3020  
[www.betterbulb.com](http://www.betterbulb.com)

Highly efficient lighting through light emitting diodes (L.E.D.)

### Carbonfund.org Foundation

Owner: Eric Carlson, [ecarlson@carbonfund.org](mailto:ecarlson@carbonfund.org)

(240) 450-2112

1320 Fenwick Lane – Suite 206, Silver Spring, MD 20910

[www.Carbonfund.org](http://www.Carbonfund.org)

Carbonfund.org is the nation's leading provider of climate solutions. We help individuals, businesses and organizations understand their impact on climate change and reduce and offset their emissions by supporting renewable energy, energy efficiency and reforestation projects globally.

### Chesapeake Climate Action Network

6839 Eastern Ave, Takoma Park, MD 20912

[www.chesapeakeclimate.org](http://www.chesapeakeclimate.org)

The Chesapeake Climate Action Network (CCAN) is the first grassroots, nonprofit organization dedicated exclusively to fighting global warming in Maryland, Virginia, and Washington, D.C. Our mission is to educate and mobilize citizens of this region on a personal and political level in a way that fosters a rapid societal switch to clean energy and energy-efficient products, thus joining similar efforts worldwide to slow and perhaps halt the dangerous trend of global warming.

### Composting

Alice Wahl

Composting kitchen scraps is easy and doable. Will highlight displays of how to collect kitchen food scraps and how to turn it into rich fertilizer for the garden. Will have on display a push lawnmower to highlight the use of grass clippings for an outdoors compost pile. Will sell the book of poetry entitled, *The Roundness of Things*, to emphasize the recycling effect of composting.

### Co-op America

1612 K St., NW, 6<sup>th</sup> Floor, Washington, DC 20006

[www.coopamerica.org](http://www.coopamerica.org)

A nonprofit organization, our mission is to harness economic power—the strength of consumers, investors, businesses, and the marketplace—to create a socially just and environmentally sustainable society. Co-op America will highlight National Greenpages, Carbon Cutter toy, Climate change actions.

Crest Design  
Geoffrey Uyehara, [geoffreyuyehara@hotmail.com](mailto:geoffreyuyehara@hotmail.com)  
(301) 649-3283  
10205 Duvawn Place , Silver Spring, MD 20902  
[www.crestdesign.net](http://www.crestdesign.net)

Crest Design is a green residential design firm, designing new homes, and remodeling older homes. It helps reduce global warming through insulation, green materials, green design, and energy audits.

Eco-Coach\_  
Owner: Anca Novacovici, [anca@eco-coach.com](mailto:anca@eco-coach.com)  
(571) 275-7700  
1415 Chapin St. NW #302, Washington, DC 20009  
[www.eco-coach.com](http://www.eco-coach.com)

Green consultancy to help individuals and business become more environmentally friendly and energy-efficient while keeping in mind costs and resource constraints. We will exhibit the DC Green Resource Guide, green cleaning and personal care products.

Elysian Energy  
Owner: Jim Conlon  
(312) 217-2121  
P.O. Box 16301, Silver Spring, MD 20911  
[www.elysianenergy.com](http://www.elysianenergy.com)

Analyze a building's performance and clearly communicate cost-effective improvements. That is, "lower bills~lower impact~higher value."  
Energy audits reduce global warming by diagnosing inefficient building components to illuminate opportunities for reducing power consumption. Lower power consumption promote a more environmentally sustainable lifestyle by reducing demands on the power sector, which is a tremendous source of atmospheric carbon dioxide, mercury and oxides of nitrogen and sulphur.

The EverGreen Home  
Sonia & Jesse Bunch, [Evergreenhome@aol.com](mailto:Evergreenhome@aol.com)  
(301) 910-7857

10125 Colesville Rd., Ste.230, Silver Spring, MD 20901

[www.TheEvergreenhome.com](http://www.TheEvergreenhome.com)

Provides products and services to homeowners who want to reduce the levels of volatile organic compounds (VOCs) in their home. The EverGreen Home will highlight aprons, hemp products, and organic mattresses.

Greater Washington Interfaith Power and Light

Program Director: Allison Fisher, [Allison@gwipl.org](mailto:Allison@gwipl.org)

(202) 885-8684

c/o CCTPP 4500 Massachusetts Ave NW, Washington, DC 20016

[www.gwipl.org](http://www.gwipl.org)

Greater Washington Interfaith Power and Light (GW IPL) is a non-profit initiative that helps congregations, religious institutions and others in the Washington, D.C. area work for a more just, sustainable and healthier creation by reducing the threat of global warming. At the GreenIN, we will describe our energy walk through program for congregations, energy efficiency products and sales, and the Cool Capital Challenge.

The Green Building Institute

Jessup, MD

(443) 733-1234

[www.greenbuildinginstitute.org](http://www.greenbuildinginstitute.org)

Fosters sustainable building practices through education and example.

Green Clean LLC

Owner: Karen LaVoy

(301) 486-7334

[www.GreenCleanUSA.org](http://www.GreenCleanUSA.org)

Green Clean is a professional housecleaning service utilizing products that are nontoxic, biodegradable, and environmentally friendly. We don't just clean green. We are a true "Green Business." Free of carcinogens. Serving Baltimore and DC Metro Area.

Green Earth Goods  
 Scott Richards, [Niki@greeneearthgoods.net](mailto:Niki@greeneearthgoods.net)  
 (301) 916-2035  
 23341 Frederick Rd., Clarksburg, MD 20871  
[www.greeneearthgoods.net](http://www.greeneearthgoods.net)

An organic, general store which focuses on local, fresh, and eco-friendly products including clothes, body care, etc. Features local organics, eco-friendly cleaning, organic body care, healthy pet foods.

Helicon Works  
 Bill Hutchins, [Billhutchins@earthlink.net](mailto:Billhutchins@earthlink.net)  
 (301) 404-5578  
 7108 Holly Ave., Takoma Park, MD 20912  
[www.HelicanWworks.com](http://www.HelicanWworks.com)

Our mission is to join one's deepest self with the spirit of the land. Helican offers expertise in combining environmentally sensitive architecture and building practices with spiritual and psychological needs.

Heyser Farms  
 14526 New Hampshire Ave., Silver Spring, MD 20904  
 (in Colesville, corner of Bonifant Road and New Hampshire)  
 (301) 384-7859

Heyser Farms sells locally grown apples (some from Pennsylvania) and is well-known for their own patented Spencerville Reds. They also sell vegetables, herb plants, and potted perennial flowers right at their farm.

Maryland Pesticide Network  
 544 Epping Forest Road, Annapolis, MD 20401  
[www.mdpestnet.org](http://www.mdpestnet.org)

Coalition of 25 organizations in MD dedicated to protecting public health and the environment from the hazards of pesticides. Healthy soil, resulting from organic land care, absorbs CO2.

Melalueca  
 Marketing Executive: Nancy Voit

9713 Old Spring Road, Kensington, MD 20895

[www.melealeuca.com](http://www.melealeuca.com)

Melaleuca's mission is to enhance the lives of those we touch by helping people reach their goals. Will sell affordable eco-friendly cleaning products, bath, body and health products.

MOM's –My Organic Market

11777 Parklawn Dr., Ste. 200, Rockville MD 20852

Frederick, MD 21703

Columbia East, MD 20794

College Park, MD 20740

Alexandria, VA 22305

[www.myorganicmarket.com](http://www.myorganicmarket.com)

Our reason for existing and our #1 priority is to restore the environment to the maximum extent we are able. MOM's will feature stainless steel water bottles, recycled paper products, biodegradable and compostable picnic ware, green cleaning products. MOM's will also have information available on the benefits of wind power and how to purchase it for your home or business as well as other information plus tips on how to have a positive environmental impact.

Montgomery County Council Members

Roger Berliner (4:00 – 5:30), Mark Elrich (4:00 – 5:30),

Nancy Floreen (8:15 – 9:00)

[County.Council@montgomerycountymd.gov](mailto:County.Council@montgomerycountymd.gov)

(240) 777-7900

Programs and laws that they have already enacted or are working on to reduce global warming and promote environmentally sustainable living.

4:00 - 5:30 pm: Roger Berliner, who organized the forum on global warming and Mark Elrich, author of the bill to enforce the Forestation Conservation Law, and opponent of special breaks for developers;

8:15-9:00 pm: Nancy Floreen, principal sponsor of the County's bill that eliminated smoking in bars and restaurants; champions the County commitment to green buildings; supported a regional commitment to wind power purchasing.

Montgomery County Department of Environmental Protection

255 Rockville Pike, Ste. 120, Rockville, MD 20850

<http://montgomerycountymd.gov/dep>

Our mission is to protect and enhance the quality of life in our community through the conservation, preservation, and restoration of our environment, guided by the principles of science, resource management, sustainability, and stewardship. The following programs will be highlighted: Clean Energy Rewards, Rainscapes, and Energy-efficiency information and tips. They will show how to reduce storm water run-off through the use of rain barrels and rain gardens and which will decrease the amount of pollutants entering our waterways.

Montgomery County Division of Solid Waste Services: Worm Composting

101 Monroe St., 6<sup>th</sup> Floor, Rockville, MD 20850

[www.montgomerycountymd.gov/solidwaste](http://www.montgomerycountymd.gov/solidwaste)

The Division's mission is to manage Montgomery County's solid waste in an environmentally and economically sound manner. Its goal is to recycle 50 percent of the municipal waste stream through an integrated solid waste management system. Will highlight composting indoors using worms.

### Mt Washington Arboretum

[WWW.miniarboretum.org](http://WWW.miniarboretum.org)

The Mt Washington Arboretum is a project sponsored by the Mt Washington Preservation Trust and is one of about twenty public landscaped areas maintained by the Trust and its corps of hardy volunteers. Thanks to grants, the arboretum now has a pond with waterfall, an entrance kiosk, a teaching pavilion, various benches and pergolas, two green roofs with 15 rain storage barrels, an aqueduct conveying water from the roof of an adjacent house to a rain storage tower, 300 yards of trails, and interpretive signs. Future projects may include a solar energy project, new interpretative signs, and a mural.

### Nature by Design

Randee Wilson

(703) 683-GROW (4769)

300 Calvert Ave., Alexandria, VA 22301

[www.nature-by-design.com](http://www.nature-by-design.com)

Offers native plants and an environmentally responsible approach to landscaping and gardening. We do not offer invasive exotic plants. Will

highlight trees, shrubs, perennials, and vines native to the Chesapeake Bay watershed of the mid-Atlantic and organic gardening supplies.

#### Olsson's Books and Records

1307 19<sup>th</sup> St., NW, (202) 785-1133

The Lansburgh 418 7<sup>th</sup> St., NW (202) 638-7610, and

Old Town Alexandria, 106 S. Union St. (703) 684-0077

Will exhibit books on global warming and environmentally sustainable living.

#### Persuasive Information

Owner: Michael Benefiel, [mike\\_benefiel@persuasiveinformation.com](mailto:mike_benefiel@persuasiveinformation.com)

(301) 929-5252

3005 Ferndale St., Kensington MD 20895

[www.PersuasiveInformation.com](http://www.PersuasiveInformation.com)

Persuasive Information provides lobbying training and public interest advocacy to nonprofit organizations. Among specific areas of expertise are international organizations, U.S. foreign affairs, and legislative processes. Providing earth-friendly information technology is a new area of interest and business development. Products highlighted at the GreenIN: FLY Pentop computer, ZONBU low power computer, desktop model.

#### Rachel Carson Council

P. O. Box 10779, Silver Spring, MD 20914

[www.rachelcarsoncouncil.org](http://www.rachelcarsoncouncil.org)

Rachel Carson Council seeks to inform and advise people & institutions about the effects of pesticides that threaten the health, welfare & survival of living organisms & biological systems – promotes alternate, environmentally benign pest management strategies to encourage healthier life styles .

### Reducing Your Carbon Footprint

Mary Somers, coach, [The Low Carbon Diet](#), by David Gershon.

Become part of the global warming solution. Go on a Low Carbon Diet! This "30 Day Program to Lose 5000 Pounds" is a fun, accessible, easy to use guide that will show you, step-by-step, how to dramatically reduce your CO<sub>2</sub> output in just a month's time. You'll learn how to reduce your annual household CO<sub>2</sub> output by at least 15%.

### School of Life/Spiritual Food (a CSA)

Lakshmi, [spiritualfood@schooloflife.org](mailto:spiritualfood@schooloflife.org)

(301) 654-4899

4217 East-West Hwy, Bethesda, MD 20814

[www.schooloflife.org](http://www.schooloflife.org) & [www.spiritualfoodcsa.org](http://www.spiritualfoodcsa.org)

This Community Supported Agriculture initiative supports biodynamic farmers "whose mission is to heal the planet by taking care of the soil." It is a local source of organically-produced food providing a mail order service.

The School of Life will highlight the CSA concept: a share of a weekly supply of fresh, biodynamic food that is available for sale locally as well as by mail.

### The Sierra Club Cool Cities Program

Dave O'Leary, [daveol@earthlink.net](mailto:daveol@earthlink.net)

Encourages cities and local municipalities to use renewable energy

### Simplicity Matters

[www.Simplicity-matters.org](http://www.Simplicity-matters.org)

Local volunteers provide opportunities for individuals to make informed choices for simpler and more fulfilling lives, leading to a more sustainable

future for Earth and all its inhabitants. Many of these opportunities involve discussion circles, in which 8-12 participants exchange information and reflect about their personal lifestyle choices, for a pre-set number of weeks.

#### Standard Solar

Owner: Lee Bristol

(301) 349-2871

Contact Person: Brian Desmond, [briandesmond@standardsolar.com](mailto:briandesmond@standardsolar.com)

(410) 952-3585

15200 Shady Grove Road, Rockville, MD 20854

[www.standardsolar.com](http://www.standardsolar.com)

Standard Solar is an energy service company, designing and installation solar PV electric and solar hot water systems for residential and small commercial customers.

#### Sustainable Design Group

John Spears, [Jspears501@aol.com](mailto:Jspears501@aol.com)

(301) 428-1040

22923 Wildcat Rd., Gaithersburg MD 20882

[www.SustainableDesign.com](http://www.SustainableDesign.com)

Our mission is design zero energy, green and healthy homes.

#### Trader Joes

6831 Wisconsin Ave., Bethesda, MD 20815

[www.traderjoes.com](http://www.traderjoes.com)

Trader Joe's predominantly sells conventional food, but carries some organic food.

#### Unitarian Universalist Green Sanctuary Program

Environmental Task Force, Cedar Lane

[www.cedarlane.org](http://www.cedarlane.org)

The UU Green Sanctuary Program helps churches become more environmentally sustainable in the way they operate, both in the church buildings and the decisions that influence the operation of the church and its programs. This exhibit will summarize the progress that Cedar Lane has made toward becoming a Green Sanctuary. There will also be a display of

native seeds, and an opportunity to sign up for the October 28th Rock Creek Cleanup and to buy the aloe vera dinner centerpieces.

Unitarian Universalist Legislative Ministry for Maryland (UU LM-MD) Embodies UU social principles through legislative action in the Maryland General Assembly. We are focusing on three areas: the environment and global warming, gay rights, and healthcare for all.

Unitarian Universalists for Social Justice

[www.uusj.org](http://www.uusj.org)

(301) 588-1951

Gary Mummert will sell recycled paper products from GreenLine Paper to benefit UUSJ.

West Wind Farms

[wwfarms@highland.net](mailto:wwfarms@highland.net)

(423) 965-3334

[www.grassorganic.com](http://www.grassorganic.com)

Distribution points in Bethesda, etc., is located on grassy slopes in West Virginia. It is a Community Supported Agriculture initiative that takes orders for its grass-fed beef in advance of its slaughter and packaging. Grass is a natural food for ruminant animals. West Wind Farm uses very little fossil fuel for transport and none for corn/grain production. Pastures are grazed in rotation, a system that can pull CO2 out of the air and put it into the ground where it nourishes these organically managed pastures.

Washington Jungto Society

Executive Director: Dr. Kim Soon Young, [goodfirendsusa@yahoo.co.kr](mailto:goodfirendsusa@yahoo.co.kr).

<http://jungto.org/english>

The Jungto Society is headquartered in Seoul, Korea, and has six chapters in the U.S., including one in the Greater Washington area. Its members have vowed to attain a pure heart (open-mind), good friends, and clean earth by overcoming all the sufferings in the world. We have an environment program for Clean Earth: a Zero Waste Campaign and Clean Plate Pledge campaign to reduce waste and garbage.

Whole Foods Market

1649 Rockville Pike, Rockville, MD 20852

Washington, DC: Georgetown, P Street NW, Tenley Town

Montgomery County: Kentlands Gaithersburg, Silver Spring, Rockville,  
River Road Bethesda,

[www.wholefoods.com](http://www.wholefoods.com)

With 198 stores in North America and the United Kingdom, Whole Foods Market is now the world's leading retailer of natural and organic foods. They are highly selective about what they sell, dedicated to stringent quality standards, and committed to sustainable agriculture. Whole Foods Market will display recycled paper products, eco-friendly cleaning products and compact florescent light bulbs.
