The Alliance of Cedar Lane Unitarian Universalist Church is an affiliate member of the church open to all interested women and men. Its purpose is to promote programs and activities of a cultural and community nature that support Unitarian Universalist principles. In furtherance of these purposes, the Alliance raises its own funds and establishes its own budget.

**President's Message**

I like to think about love as a state of being. I've read that love is infectious, and when human devotion is intelligent and wise, love is more catching than hate. It is not so important to love all people today as it is that each day you learn to love one more human being. Love comes highly recommended.
