

**ENTER TO WORSHIP**

*No woman can call herself free who does not own or control her body. No woman can call herself free until she can choose consciously whether she will or will not be a mother.*  
 - Margaret Sanger

**\* Kindling the Flame**

We kindle our chalice, symbol of freedom,  
 In remembrance of those gone before us,  
 Who fought against the tyranny over body, mind, and spirit,  
 And led the way in a free and responsible search for truth and justice.  
 We dedicate ourselves to be part of that stream of light,  
 Reawakening the light within ourselves to continue  
 The struggle for freedom, equality, and justice in our world.
